

## AAC Clyde Space forms new executive management team

**2020-01-20 AAC Clyde Space AB (publ)**

**AAC Clyde Space has appointed John Charlick COO and Ross Lang UK Head of Finance to the executive management team. A new structure for how the team operates has also been implemented in order to support the company's growing operations.**

John Charlick has a BEng Physics and Electronics from the University of Glasgow and MSc in Communications, Control and Digital Signal Processing from the University of Strathclyde. John gained his experience in programme management and product development from his time in multinational organisations Nokia and Motorola and has extensive experience in service delivery and service management.

Ross Lang undertook his professional accounting exams whilst working in financial services, qualifying as a member of the Association of Chartered Certified Accountants. Before transition into his role at AAC Clyde Space, Ross has over a decade of experience providing SME businesses with financial advisory support, covering reporting, funding and strategy.

*"I would like to welcome John and Ross to the executive Management Team of AAC Clyde Space. Their long experience with the company will be a much-valued addition to our management talent pool in this phase of growth. Their extensive knowledge and skills will ensure that we manage our growth to remain an efficient, innovative and organized company to provide our customers with the level of service they came to expect from us."*, said **AAC Clyde Space CEO Luis Gomes**.

The management team consists of Luis Gomes CEO and acting Vice President Business Development, Mats Thideman CFO and deputy CEO, Craig Clark Chief Strategy Officer, Andrew Strain Chief Technology Officer, John Charlick Chief Operating Officer and Ross Lang UK Head of Finance.
