

Press release 2022-09-16

## **Johan Åman appointed new CEO of Unibap**

**Unibap's board of directors has appointed Johan Åman as new CEO and he will take up his position as soon as possible but at the latest on March 16 2023.**

Johan Åman has extensive experience from various leading positions at Mycronic and Scienta Scientific. Johan is result driven with a forward-thinking approach centered on company success and competitive growth in international environments. He has a demonstrated record of building successful teams and managing profitable operations. His latest position was as CEO of Scienta Scientific AB. Johan holds a degree in Master of Science (MSc) in Engineering Physics from Chalmers University of Technology in Gothenburg and an MBA in International Business from Gothenburg Business School.

- I am honored and very glad to be appointed to lead Unibap into the next phase. Unibap is a company with great potential and a strong innovative culture. I am really looking forward to realizing Unibaps ambitious plan together with the rest of the team, says Johan Åman.
- I am very happy to appoint Johan Åman as the new CEO. He has experience and understanding of how to create growth in a complex innovation-driven business, and he will continue to build the Unibap success story with his excellent strategic, operational, and organizational skills, says Ingrid Engström, Chairman of the Board of Unibap.
