

# MTI Investment Trip

15-18 Januari 2023

## JANUARY 2023 INVESTOR TRIP

Welcome to the 2023 MTI Investor Trip in collaboration with SWEACC to Zanzibar, Tanzania, on January 15-18. The event is open to all investors with an interest in East Africa. The weather is expected to be nice and sunny. Join alone, or bring a partner or interested child. They will all be able to enjoy this trip. This time we will have a special focus on **sustainable tourism**, but also areas like **sustainable agro-business, food chain** and also **real estate**. We will of course visit with entrepreneurs and managers of our other investments, in addition to other stakeholders in the region. We will hands-on witness the growth of East Africa and also learn both more about the challenges and opportunities.

You will have the opportunity to enjoy and experience the culture of Tanzania, the food, the people, the sun and if you hang around longer also the pristine white sands and turquoise waters. We can guide you to the hotels which use our waste management company.

Cost: SEK 7 000 incl. VAT including all local transportation around the island, conference venue and food, but excluding alcoholic beverages, hotel and flights. Eventbrite adds a service fee. Book now to secure a ticket at a reasonable price, currently starting at SEK 7 900.
