Mavshack launches Video Streaming for Filipinos with Ooredoo Kuwait

Mavshack has now launched their Video streaming service for Filipinos including VOD TV & Movies, Live Basketball & Volleyball as well as News updated twice daily in Kuwait on Ooredoo, Kuwait's fastest network and a member of the international Ooredoo Group.

The launch is in line with the Group Strategic Partner Agreement (GSPA) signed between Mavshack and the progressive Ooredoo Group based out of Qatar. Mavshack has also inked separate direct agreements with the Ooredoo entities in Oman and Qatar and will be making available the same service in these countries in the near future.

The huge Filipino diaspora in Kuwait, Oman and Qatar has been underserved thus far as there has been no targeted service launched which has focused exclusively on them. Via this service, both Ooredoo and Mavshack aim to cater to the needs and desires of the community better as to become the one-stop shop for all their entertainment.
