“Strong delivery in Q1”

Important information

This presentation is for general information purposes only. The information does not constitute legal, tax, or investment advice. Trading in securities always entails a risk. Historical returns are not a guarantee of future returns. An investment in securities can increase or decrease in value, and it is not certain that you will recover the invested capital.

Information regarding the company is based on information known to Unibap AB (reg. no. 556925-1134) ("**Unibap**" or the "**Company**") on the date hereof. Except as explicitly stated herein, no information provided herein has been reviewed or audited by the Company's auditor. Certain financial and other information presented in this presentation have been subject to rounding adjustments for the purpose of making this presentation more easily accessible for the reader. As a result, the figures in tables may not sum up to the stated totals.

The publication, disclosure, or distribution of this presentation may be subject to legal restrictions in certain jurisdictions, and individuals in those jurisdictions where this presentation has been published or distributed should inform themselves of and comply with such legal restrictions. The recipient of this presentation is responsible for using this presentation and the information herein in accordance with applicable rules in each jurisdiction. This presentation does not constitute an offer, or an invitation, to acquire or subscribe for any securities in Unibap in any jurisdiction, either from Unibap or from anyone else.

This presentation does not constitute an offer or an invitation to acquire or subscribe for securities in the United States. The securities mentioned herein may not be sold or offered in the United States absent registration or an exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"). There is no intention to register any securities mentioned herein in the United States or to make a public offer of such securities in the United States. The information in this presentation may not be published, disclosed, copied, reproduced, or distributed, directly or indirectly, in whole or in part, in or to the United States, Australia, Singapore, New Zealand, Japan, South Korea, Canada, Hong Kong, South Africa, Russia, Belarus or any other jurisdiction where such publication, disclosure, or distribution of this information would violate applicable laws or where such action is subject to legal restrictions or would require additional registration or other measures than what is required by Swedish law. Actions in violation of this instruction may constitute a breach of applicable securities laws.

This presentation contains forward-looking statements concerning the Company's intentions, assessments, or expectations regarding the Company's future results, financial position, liquidity, development, prospects, expected growth, strategies, and opportunities, as well as the markets in which Unibap operates. Forward-looking statements are statements that do not relate to historical facts and can be identified by the fact that they contain expressions such as "believes," "expects," "foresees," "intends," "estimates," "will," "may," "assumes," "should," "could," and, in each case, negations thereof, or similar expressions. The forward-looking statements in this presentation are based on various assumptions, which in several cases are based on additional assumptions. Although the Company believes that the assumptions reflected in these forward-looking statements are reasonable, it cannot be guaranteed that they will occur or that they are accurate. Since these assumptions are based on assumptions or estimates and are subject to risks and uncertainties, the actual results or outcomes may, for many different reasons, differ materially from those expressed in the forward-looking statements. Such risks, uncertainties, eventualities, and other significant factors may cause the actual events to differ materially from the expectations explicitly or implicitly stated in this presentation through the forward-looking statements. The Company does not guarantee that the assumptions underlying the forward-looking statements in this presentation are correct and each reader of the presentation should not unreasonably rely on the forward-looking statements in this presentation. The information, opinions, and forward-looking statements expressly or implicitly stated herein are only provided as of the date of this presentation and may change. Neither the Company, nor any other person, undertakes to review, update, confirm or publicly announce any revision of any forward-looking statement to reflect events or circumstances that may arise with regard to the contents of this presentation, unless required by law.

This presentation as well as any other information provided by or on behalf of Unibap in connection herewith shall be governed by Swedish law. The courts of Sweden, with the District Court of Stockholm as the first instance shall have exclusive jurisdiction to settle any conflict or dispute arising out of or in connection with this Presentation or related matters.

Today's presenters

CFO

Today's agenda

1. **Financials**
2. Highlights
3. Defense and US expansion
4. Ambitions

Financials

Net revenue (kSEK)

Highest revenue in company history

Main contributor is defence constellation

+63% growth Y-o-Y

EBIT (kSEK)

Strong Q1 with EBIT amounting to MSEK 7,7 or 21% vs Revenue

Change of business model show scalability in Unibap

Negative FX-impact of Account receivables dampers the result

Cash flow from current operations (kSEK)

Negative Cash flow from operations due to lower prepayments

Large swings in order intake and revenue, and thus profit and cash flow, still expected between quarters

Financials

Net of Capitalized work
and Depreciation (kSEK)

Increased level of activation due
work on new models of iX10 and SCOS

EBIT positive impacted of net between
activation and depreciation

EBITDAC* (kSEK)

Showing a R12 profit in EBTIDAC
underling the scalability of new business
model

Today's agenda

1. Financials
- 2. Highlights**
3. Defense and US expansion
4. Ambitions

Highlights

During Q1:

- The company has set up operations in the United States through its two subsidiaries Unibap US Holding, Inc. and Unibap Space Solutions, LLC.

After Q1:

- The constellation order from Contec in Korea that we received in Q4 2024 has now been granted its export license, with delivery in 2025
- During the general shareholders meeting today we will change the company name to “Unibap Space Solutions AB (publ)”

Today's agenda

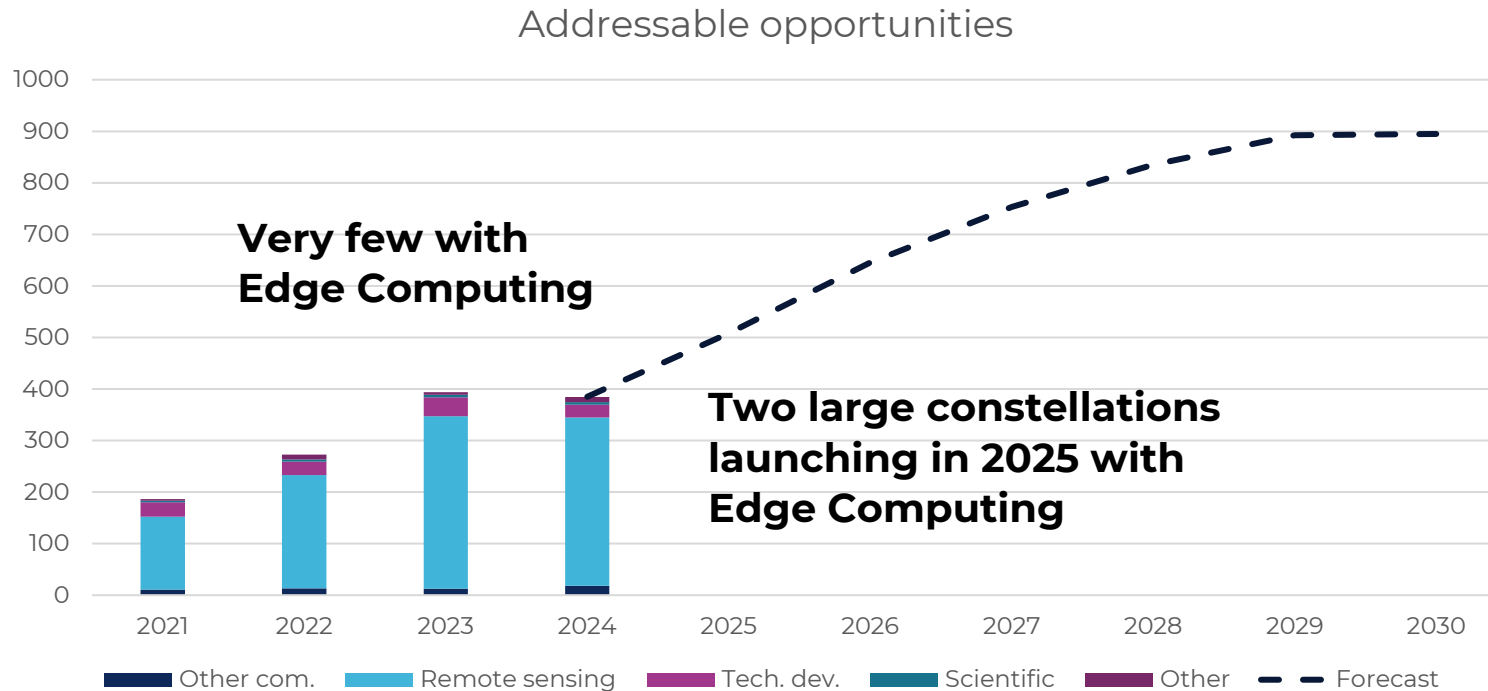

1. Financials
2. Highlights
- 3. Defense and US expansion**
4. Ambitions

- Market opportunity:
 - Most relevant satellites do not use Edge Computing yet
 - US market >5x Europe
- Short-term growth driven by:
 - Adoption of Edge Computing
 - European demand for sovereign space assets
 - Commercialization of Earth observation data
- Long-term market consolidation driven by:
 - Mega constellations going from building to maintenance
 - Problems with crowded orbits and space debris

US leading the way

Our strategy – Innovation & Trust – focused on Growth

Today's agenda

1. Financials
2. Highlights
3. Defense and US expansion
- 4. Ambitions**

Ambitions in 2025

TECHNOLOGY MATURITY

- *More than 30 launches planned*
- *First stand-alone SW in space*
- *Reach TRL9 for iX10*

BUSINESS DEVELOPMENT

- *Capture Qualification Projects*
- *Convert into Constellation Projects*
- *Expand US operations*
- *Leverage European awakening*

OPERATIONAL READINESS

- *Build redundancy*
- *Maintain >100 units/year capacity*

FINANCIAL IMPROVEMENT

- *30-50% average annual mid-term revenue growth*
- *>30% revenue growth in 2025*

Mix shifts over the next years – driven by strategy

Offering	Subcategory	Historical mix	Expectation	Gross margin ambitions	Expected shifts in mix
Services	Engineering	Dominant	Smaller	20-40%	Standard Products reduce Customization Services
	Support	Small	Increasing	20-40%	
Hardware	Engineering (EM)	Even	Smaller	60-80%	
	Flight (FM)	Even	Dominant	70-85%	Constellation Projects increase FM content
Software	Embedded	N/A (included in HW)	Increasing	95-100%	New SaaS license model introduced
	Applications	N/A	Over time	95-100%	Gradually expanding portfolio
