## CEO comment

*"We are pleased to start a voyage as an independent company together with our new shareholders. We will ensure that we initiate a transparent, orderly, stable and sustainable journey. SDS is present in emerging markets and is well positioned at the core of our customers' operations. We have a solid software platform and stable finance that is a sound base for growth and our scalable business model allows us to exploit opportunities that arise. We welcome our new shareholders and assure them we realize the major responsibility that we now have. Our goal is to create value for all our stakeholders. This quarterly report is the last one describing SDS's situation as a wholly owned subsidiary of the SDAB Group. Starting from the next quarterly report, the story of SDS is will be described as an individual company that we just launched. We have interesting growth opportunities ahead and all chances of success. I welcome you onboard for this journey! "*
