Pressrelease

June 3, 2022

Raytelligence signs agreements with Careteq for Malaysia and Singapore

Raytelligence expands its dealership agreement with Careteq, Australia to include the Malaysia and Singapore markets.

A dealership agreement has previously been signed for Australia, New Zealand, the USA and Canada.

Careteq, <https://www.careteq.com.au/> is a listed company on the Australian Securities Exchange (ASX)

"Malaysia and Singapore are very large markets in e-health and this investment shows that Careteq strongly believes in our product Eazense," says the Company's CEO Pelle Viberg.
