Urb-it's sustainable last mile delivery services available to merchants on Shopify

Urb-it, the rapidly growing sustainable logistics platform, announces its sustainable last mile delivery services are now available to all e-commerce merchants using Shopify.

Millions of the world's most successful brands trust Shopify, the all-in-one commerce platform, to sell, shop and process orders globally. Shopify is being used worldwide and enables merchants to easily sell products to customers. With Urb-it's bespoke delivery application, now available on Shopify Marketplace, retailers are clicks away from using Urb-it as their last mile delivery partner of choice in Europe's largest cities.

Kevin Kviblad, CEO Urb-it said:

"Ensuring our services are easy to access and connect to for e-commerce clients is key to our growth strategy. Our sustainable last mile delivery services now being available via Shopify Marketplace provides us with strong growth opportunities, giving us reach to a significant number of new clients. In turn we offer the opportunity to provide their customers with truly sustainable parcel delivery services."

About Urb-it AB (publ) | B Corp certified

Urb-it is a rapidly growing sustainable logistics platform with a vision to transform urban logistics, one delivery at a time. We deliver urban logistics services that create a positive impact on society and the environment. We partner with brands to deliver the last mile sustainably and efficiently in urban areas across Europe.

Our customer-centric last mile delivery services are conducted by our employed couriers on our 100% e-cargo bike fleet. This reduces emissions, congestion and noise pollution - creating healthier cities.

We are a B Corp certified business, meaning we meet and have committed to the highest verified standards of social and environmental performance. We are currently operating in urban areas in Europe's largest e-commerce markets – France, the UK and Spain. Our ambition is to expand into other major e-commerce markets across Europe in the coming years.

In 2022, Urb-it won Best Supply Chain Solution Award at The Retail Supply Chain & Logistics Expo.

Founded in 2014, Urb-it is a Swedish entrepreneurial company headquartered in Stockholm and listed on Nasdaq First North Growth Market. Find out more at urb-it.com.
